Instruction Technology Services  
Title I Tech Team

**iBrainstorm:** iBrainstorm allows users to collaborate with others to brainstorm ideas and projects in a fun and creative way.

## GETTING STARTED

- 🍏 Tap app icon to open.
- 🍏 Tap the **+** to add a sticky note.
- 🍏 Double tap the sticky note to **EDIT**.
- 🍏 Add **TEXT** and assign a **COLOR** to sticky note.
- 🍏 Tap the **KEYBOARD** icon to continue.

## TOOLS

- 🍏 Tap the **PEN** icon to choose a marker color and line width for whiteboard writing.
- 🍏 Tap the **ERASER** icon and use your finger to erase any whiteboard writing.
- 🍏 Tap and **HOLD** a sticky note to delete it from the whiteboard.
- 🍏 Tap the **i** to name your board and choose a whiteboard background style.  
*(Note: backgrounds include graphic organizer templates)*

## COLLABORATION

- 🍏 Tap the **SMILING FACES** in the top left corner of the whiteboard.
- 🍏 Tap to **OPEN** iBrainstorm on a different device or multiple devices.
- 🍏 Locate and tap on the **NAME** of each device you want to collaborate with.
- 🍏 Tap **ACCEPT** on each collaboration device.
- 🍏 Choose a sticky note you wish to send to the collaboration devices.
- 🍏 Slide the sticky note into the **SMILING FACES**.  
*(Note: you cannot send whiteboard writings or backgrounds to other devices)*

## PROJECT LIBRARY

- 🍏 Tap the **DOWN ARROW** located at the top of your screen.
- 🍏 Tap a saved **PROJECT** or tap the **PLUS +** to start a new project.
- 🍏 **NAME** your new project, choose a **BACKGROUND**, then tap **SAVE**.

## SAVING

- 🍏 Take a **SCREENSHOT** of your whiteboard to save it in the iPad Photo album.
- 🍏 Tap the **SHARROW**  to **AIRDROP** your whiteboard to someone else.
